NOTE—Contn. sheet.

in August 1913
completion of the work at Harihar, (erecting pump for Mr. Bheemappa of Harihar) it is not right to treat Haravoo or Bangalore or any other place as his Head Quarters - During these four months he made only ~~two~~ very occasional trips to other places viz three to Shimoga & one to Bangalore - The total period of absence from Harihar during the four months was only about 18 days ~~in~~ only 3 or 4 days at a time - In these circumstances the Dewan Sahib may perhaps desire to modify his orders of 30.8.1913, specially as such cases may not be infrequent in the Industries Dept.

(20) It may be mentioned that Mr. Sitaramachar's place in the P.W.D. is Sub Asst. Engr. 1st class S.p.t. on Rs 150/- He gets in the Industries Dept. Rs 200 plus Rs 50 D.A. He would have got only second class Railway fare, 6as mileage & Rs 3/- D.A. in his own dept. - in his present appt. he gets first class railway fare & as mileage & Daily allce at Rs 4/- I mention all this to shew that there is no real hardship in this case in applying the

pass full daily allowance to Mr. Sitharamachar for his halts at Harihar. In future the Director of Commerce and Industries will be requested to obtain the special permission of Government before employing any officer of his department on any duty requiring a halt of more than ten days at any particular station, if he is to be allowed halting allowance.

6. As Mr. Sitharamachar is now entitled to a substantive pay of Rs.200 per mensem in the P.W.D., I am of opinion that his pay in the Department of Commerce and Industries should be raised to Rs.250 and the local allowance of Rs.50 be continued to him. I solicit sanction to Mr. Sitharamachar's pay being fixed at Rs.250, so long as he is in the 3rd grade of Assistant Engineers, together with a local allowance of Rs.50 per mensem. The Assistant Engineer does not want to be on special duty but he is kept on it on account of his special qualifications and capacity and zeal he has shown in his work.

7. The proposals contained in paras 5 and 6 above may be graciously approved.
